Please send us a message from your order page on amazon.com.

### IMPORTANT

- **Please do not use the hanger as a CLIMB.**
- To Avoid danger of suffocation, Please keep plastic bags away from babies and children. Do not use this bag in cribs, beds, carriages or playpens. This bag is not a toy.

### Tools needed

Drill, **O** size Drill bit (Ø.3 in), Phillips Screwdriver, Pencil, Rubber mallets, Personal safety equipment.

### 3 Steps Instructions

**1. Position** the support on the desired mounting location and **Mark** the center of the two holes with a pencil.

**2.** Using a drill bit Ø.3 , **Drill** two holes (~1.4 in depth) then **Place** the plastic plugins in the drilled holes. Use rubber mallets if available.

**3. Screw on** the hanger starting with the circular hole (hole on the right) then the oblong (Hole on the left). Oblong shape will allow to absorb hand drilling imprecision.

In case of wooden wall, drill 0.196 Inch hole diameter before screwing on.

**Thank you for trusting our Team !**
